

The Finnish Institute of International Affairs (FIIA) has the pleasure of inviting you to

THE 4TH ANNUAL FIIA DAY

—

CURRENT ECONOMIC TURMOIL IN EUROPE AND THE FUTURE OF EURO

On Tuesday 1 March 2011
at the Wanha Satama Conference Centre, Hall F,
Pikku Satamakatu 3-5, Helsinki

The Euro has been widely seen as one of the greatest achievements of the European integration and a corner stone of Europe's economic stability and prosperity. The global financial and economic turbulence has however highlighted the challenges of the economic and monetary union. A major discussion about its future directions is going on. Will we see a move towards an ever deeper or looser economic and monetary union? What are the views of the main architects of the new system in the making?
